## Programme tracks · what each partner gets

### & Schools

*Bring the RAPD assessment to your students.*

- Whole-cohort assessment — Every student in a year group profiled in a single window — usually completed across two periods.
- Mentor-led report sessions — Group debriefs plus a 1:1 option for families that want depth.
- Parent night included — A 60-minute structured session that walks parents through the report framework.

### NGOs

*Career direction at the last mile.*

- Vernacular delivery — RAPD available in Hindi, with regional-language pilots underway.
- Skilling-linked — Reports recommend specific NSDC and Skill India tracks aligned to the profile.
- Placement linkage — Optional bridge to NGO and corporate skilling partners.

### Corporate CSR

*A CSR programme with a measurable behavioural outcome.*

- Pre-defined cohort sizes — From 500 to 50,000 beneficiaries per cycle.
- Audit-ready reporting — Per-beneficiary participation, report delivery, and follow-up engagement metrics.
- Geographic flexibility — Delivered across 200+ districts in India and seven GCC cities.

### Proof at scale

- 64,000+ students / year — Govt. of Tamil Nadu (state-funded)
- 65,000+ students — Ashok Leyland Foundation
- 200,000+ adolescent girls — World Bank Tejaswini
- 8,500+ schools reached · AICTE NEAT 4.0 partner
